(b) The ordinance shall include:

(i) a requirement that each candidate for county office report his itemized and total campaign contributions and expenditures at least once within the two weeks before the election and at least once within two months after the election;

(ii) a definition of "contribution" and "expenditure" that requires reporting of nonmonetary contributions such as in-kind contributions and contributions of tangible things; and

(iii) a requirement that the financial reports identify:

(A) for each contribution of more than \$50, the name of the donor of the contribution and the amount of the contribution; and

(B) for each expenditure, the name of the recipient and the amount of the expenditure.

(2) (a) Except as provided in Subsection (b), if any county fails to adopt a campaign finance disclosure ordinance by January 1, 1996, candidates for county office shall comply with the financial reporting requirements contained in Subsections (3) through (6).

(b) If, after August 1, 1995, any county adopts a campaign finance ordinance meeting the requirements of Subsection (1), that county need not comply with the requirements of Subsections (3) through (6).

(3) (a) Except as provided in Subsection (b), and if there is no county ordinance meeting the requirements of this section, each candidate for elective office in any county who is not required to submit a campaign financial statement to the lieutenant governor shall file a signed campaign financial statement with the county clerk:

(i) seven days before the date of the regular general election, reporting each contribution of more than \$50 and each expenditure as of ten days before the date of the regular general election; and

(ii) no later than 30 days after the date of the regular general election.

(b) Candidates for community council offices are exempt from the requirements of this section.

(4) (a) The statement filed seven days before the regular general election shall include:

(i) a list of each contribution of more than \$50 received by the candidate, and the name of the donor;

(ii) an aggregate total of all contributions of \$50 or less received by the candidate; and

(iii) a list of each expenditure for political purposes made during the campaign period, and the recipient of each expenditure.

(b) The statement filed 30 days after the regular general election shall include:

(i) a list of each contribution of more than \$50 received after the cutoff date for the statement filed seven days before the election, and the name of the donor;

(ii) an aggregate total of all contributions of \$50 or less received by the candidate after the cutoff date for the statement filed seven days before the election; and

(iii) a list of all expenditures for political purposes made by the candidate after the cutoff date for the statement filed seven days before the election, and the recipient of each expenditure.

(5) Candidates for elective office in any county who are eliminated at a primary election shall file a signed campaign financial statement containing the information required by this section not later than 30 days after the primary election.

(6) Any person who fails to comply with this section is guilty of an infraction.

(7) Counties may, by ordinance, enact requirements that:
