INSTRUCTIONS

Making Selections

Use a ballpoint pen with dark ink. Fill in the oval completely next to the name of your choice. You do not have to vote in every race.

Go to DavisVotes.com for candidate information and dropbox locations.

Ballots must be returned in your return envelope.

You may not sign another person's ballot affidavit - even with permission.

Unsigned ballots and ballots returned after the deadline will not be counted.

Optional write-in

Write-in spaces are only provided for races in which a write-in candidate has filed for that office. To write-in a candidate, fill in the oval next to "WRITE-IN" and clearly print the name on the line provided.

CONSTITUTIONAL AMENDMENT

CONSTITUTIONAL AMENDMENT A

Shall the Utah Constitution be amended to change a provision relating to special sessions of the Utah Legislature that are convened by the president of the Utah Senate and speaker of the Utah House of Representatives:

- to increase the limit on the total amount of money the Legislature may appropriate during the session from an amount equal to 1% of the total amount appropriated during the preceding fiscal year to an amount equal to 5% of the total amount appropriated during the preceding fiscal year; and
- to exclude from that 5% limit:
 - an appropriation of money that the state receives from the federal government to address a fiscal, public health, or other emergency or crisis; and
 - an appropriation that decreases the amount of money previously authorized to be spent.

PROPOSITION

OFFICIAL BALLOT PROPOSITION FOR THE DAVIS SCHOOL DISTRICT, UTAH SPECIAL BOND ELECTION NOVEMBER 8, 2022

**Craig Carter
Business Administrator**

PROPOSITION

Shall the Board of Education (the "Board") of the Davis School District, Utah (the "District"), be authorized to issue General Obligation Bonds in an amount not to exceed Four Hundred Seventy-Five Million Dollars (\$475,000,000) (the "Bonds") for the purpose of financing all or a portion of the costs of acquiring land and equipment, constructing new schools and renovating and improving existing facilities; said Bonds to be due and payable in not to exceed twenty-one (21) years from the date of issuance of the Bonds?

Property Tax Cost of Bonds: If the Bonds are issued as planned (and without regard to the existing taxes currently paid for existing bonds ("Existing Bonds") that will reduce over time), a property tax sufficient to pay debt service on the Bonds will be required over a period of twenty-one (21) years in the estimated average amount of \$269.10 per year on a \$534,000 primary residence and in the estimated amount of \$489.27 per year on a business property having the same value.

As noted above, the District has other Existing Bonds for which a tax decrease would occur upon the retirement of the same, which may not occur if the proposed Bonds are issued. However, the combination of the scheduled retirement of the Existing Bonds and the issuance of the proposed Bonds, as planned, is expected to result in no property tax rate increase (\$0.00) on a primary residence or business property within the District from current property tax levels.

The foregoing information is only an estimate and is not a limit on the amount of taxes that the Board may be required to levy to pay debt service on the Bonds. The Board is obligated to levy taxes to the extent provided by law in order to pay the Bonds. The amounts are based on various assumptions and estimates, including estimated debt service on the Bonds and taxable values of property in the District.
