

We look forward to seeing you at our 17th annual golf tournament.

This tournament is organized to benefit the Davis County Children's Justice Center (CJC). Proceeds from this tournament are used to help support CJC programs, and training for CJC professionals.

The Davis County Children's Justice Center provides a child-friendly environment for sexually abused children to be interviewed by law enforcement and child protective service investigators. CJC also provides medical and mental health resources for these children.

In 2015, over 1000 children and families were served at the center.

Your support of the Children's Justice Center through this tournament is greatly appreciated.

Sincerely,
Elizabeth Wood President
