

HOSPITALITY, TOURISM, & ACCOMMODATION GUIDANCE

Utah Leads Together

For more information, visit: coronavirus.utah.gov/utahs-health-guidance-system/

As the community moves through phased risk guidance, we encourage you to continue to implement protective measures to slow the spread of COVID-19 in our community. We understand that each facility is unique and operates under different circumstances. The guidance does not address every situation. Adaptation may be needed for your setting. Please work with your employees and patrons to implement the following:

PHYSICAL DISTANCING

- Maintain signage to remind groups to follow physical distancing guidelines and avoid congregating in common areas
- If applicable, follow specific guidance for food establishment or restaurant, pools, and fitness centers

CLEANING & HYGIENE

- Launder all exposed linens and cleaning supplies separately
- High-touch surfaces (e.g., door handles, countertops, key cards) must be sanitized frequently

STAFF & GUEST PROTECTION

- Adhere to the Individual Guidance and General Business Guidance
- Staff and guests wear face coverings in settings where other physical distancing measures are difficult to maintain
- Digital check in and check out is encouraged
- Symptomatic guests should stay in their room and wear a face covering anytime they leave the room
- Consider designating one staff member to attend to sick guests; avoid face to face contact with sick guests

Thank you for your patience and cooperation during this COVID-19 pandemic.
Feel free to contact the Davis County Health Department with any questions at 801-525-5128.
