

PERSONAL SERVICE PROVIDER GUIDANCE

(including barbers, cosmetologists, body artists, nail technicians, massage, etc.)

Utah Leads Together 2.0: Moderate Risk

For more information, visit: coronavirus.utah.gov/utah-leads-together/

As the community begins the next phase of sustainable social distancing, and businesses begin to re-open doors to patrons, we encourage you to continue to implement protective measures to slow the spread of COVID-19 in our community. We understand that each facility is unique and operates under different circumstances. The guidance does not address every situation. Adaptation may be needed for your setting. Please work with your employees and patrons to implement the following:

SOCIAL DISTANCING

- Providers must maintain 6 feet of distance between workstations
- Eliminate waiting areas or reduce waiting area capacity to maintain 6 feet of distance between individuals
- Provide services by appointment only
- Do not allow anyone without an appointment to enter the facility

CLEANING & HYGIENE

- Clean and sanitize all equipment and supplies between each patron
 - Allow extra time between appointments to sanitize all surfaces between services
 - Discourage shared use of supplies and other common tools
- Service provider should wash hands frequently, before and after patrons

SERVICE PROVIDER & PATRON PROTECTION

- Adhere to the Individual Guidance and General Business Guidance
- Service providers and patrons wear face coverings
 - Exception given for clients when mask interferes with service
- Screen all employees upon entry for symptoms and exclude anyone who is sick from working
 - Keep a log that can be made available for inspection by the health department
- Prohibit employees who have been instructed to isolate or quarantine from working until given health department clearance
- Customers must have their symptoms checked before services are rendered
- Log customer visits and include: customer name, contact information, date, and time
- Opt for contactless payment; clean financial transaction equipment in between each charge

Thank you for your patience and cooperation during this COVID-19 pandemic.
Feel free to contact the Davis County Health Department with any questions at 801-525-5128.
