

## K-12 SCHOOLS GUIDANCE

### Utah Leads Together

For more information, visit: [coronavirus.utah.gov/utahs-health-guidance-system/](https://coronavirus.utah.gov/utahs-health-guidance-system/)

As the community moves through phased risk guidance, we encourage you to continue to implement protective measures for your health and safety, and that of your family, school, and the community. Together we can slow the spread of COVID-19.

### K-12 SCHOOLS PHASED GUIDELINES

In accordance with the Utah Leads Together [Phased Guidelines](#) for the General Public and Businesses to Maximize Public Health and Economic Reactivation:

- Public schools are open
- Local education agencies (school districts and charter schools also known as LEAs) will develop plans for reopening schools for in-person instruction
- Plans must be approved by the local school board or charter school governing board
- Plans must address the elements and minimum requirements contained in the Utah State Board of Education's (USB E) [Planning Requirements and Recommendations for K-12 School Openings](#) document
- Comply with the Utah High School Activities Association's [Return to Play Protocol: General Advisement and Sport-by-Sport Specifics](#)

### SCHOOL MASK ORDER

In accordance with the [Public Health Order](#) issued on July 17, 2020 and updated on August 14, 2020 by the Utah Department of Health:

- Each individual on school property or on a school bus shall wear a face mask
- Exemptions:
  - An individual who is outdoors while maintaining a physical distance of at least six feet from any other individual who is not from the same household or residence
  - An individual who is eating or drinking while indoors and maintains a physical distance of at least six feet from any other individual who is not from the same household or residence
  - A child who is younger than 3 years of age
  - An individual with a medical condition, mental health condition, or disability that prevents wearing a face mask, including an individual with a medical condition for whom wearing a face mask could cause harm or dangerously obstruct breathing, or who is unconscious, incapacitated, or otherwise unable to remove a face mask without assistance; a school may require an individual to provide a medical directive from a Doctor of Medicine (MD), Doctor of Osteopathic Medicine (DO), Physician Assistant (PA), Advanced Practice Registered Nurse (APRN), documenting a need for an exemption

## SCHOOL MASK ORDER cont.

- An individual engaged in an activity where the ability to see the mouth is essential for communication, including an individual who is deaf or hard of hearing while communicating with others, an individual who is communicating with an individual who is deaf or hard of hearing, or a teachers-student dyad participating in speech therapy, in which case the individual shall wear a face shield without a mask or use alternative protection, including a plexiglass or similar barrier
- An individual who has an Individualized Education Program (IEP) under the Individuals with Disabilities Education Act, 20 U.S.C. section 1414, or an accommodation under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. section 794, that would necessitate exempting the individual from wearing a face mask; a local education agency shall document the accommodation in accordance with 34 CFR 104.33(a) as part of the student's IEP or Section 504 accommodation plan
- An individual who is receiving or providing a service involving the nose or face for which temporary removal of the face mask is necessary to perform the service
- [Appendix C: Face Covering Exceptions in K-12](#) outlines the following student exemptions for individuals participating in a school sponsored activity or physical education class:
  - Outdoor recess in elementary schools; cohorting, physical distancing, and hand hygiene before and after recess is promoted
  - A school-sponsored activity or physical education class if the individual cannot reasonably participate while wearing a face mask; each individual participating in a school-sponsored activity must complete a symptom assessment, verbally confirm they are free of COVID-19 symptoms before participating in each event, and attest to the fact they have not been in close contact (within 6 feet for 15 minutes or more) with a COVID-positive case in the last 14 days prior to participation; where possible, confirm participant temperature is below 100.4 degrees Fahrenheit
  - Institutions shall identify school-sponsored activities that are higher-risk and consider not holding the activities or introduce additional mitigating strategies; see the Utah State Board of Education School Reopening Planning Handbook for descriptions of higher-risk activities and tools and resources; the Handbook is located at <https://schools.utah.gov/file/5997f53e-85ca-4186-83fe-932385ea760a>
  - In order to comply with the Utah High School Activities Association's Return to Play Protocol: General Advisement and Sport-by-Sport Specifics, refer to <https://uhsaa.org/news/uploads/UHSAA%20Return%20to%20Play%20Document.pdf>
  - Spectators at school-sponsored activities or events must wear a face mask.
  - This guidance may be modified based on data and milestone trends
- The order shall remain in effect until 11:59 pm December 31, 2020 unless otherwise modified, amended, rescinded, or superseded

## PLANNING REQUIREMENTS & RECOMMENDATIONS, USBE

In accordance with the Utah State Board of Education's (USBE) [Planning Requirements and Recommendations for K-12 School Openings](#):

- Local education agencies (LEAs) are required to develop comprehensive reopening plans that are approved by the local school board or charter school governing board in an open and public meeting and made available to the public on the local education agency's and each schools' websites by **August 1, 2020**
- Plans must address the following elements:
  - Repopulating Schools
    - Communication and Training
    - Accommodating Individual Circumstances (e.g. high-risk, personal decisions)
    - Enhanced Environment Hygiene & Safety
    - School Schedules
  - Implementation of Mitigation Actions in School Settings (e.g., Classrooms, Transitions, Office Spaces, Transportation, Restrooms, Cafeterias)
    - Apply a set of principles and levers to mitigate risk of spread of COVID-19 across school settings
  - Monitoring for Incidences
  - Containing Potential Outbreaks
  - Temporarily Reclosing (if necessary)
- Minimum requirements that plans developed by LEAs must address were determined to be in the best interest of Utah's students and faculty to create a consistent, state-wide standard of expectation; recommendations provide considerations to guide local planning efforts and may be adapted to fit the unique circumstances of each LEA, school, and individual classroom

## UTAH COVID-19 SCHOOL MANUAL

A resource for school administration, teachers, and parents to help with decisions about how to respond to COVID-19 in schools to protect both the immediate and long-term health and safety of students, teachers, and employees

- The two most important things people in schools need to know are covered:
  1. What to do if a student, teacher, or employee is exposed to COVID-19 or tests positive
  2. How to make a healthy learning environment and protect schools
