### PROPOSITION

Shall the City Council (the "Council") of Centerville City, Utah (the "City"), be authorized to issue General Obligation Bonds (the "Bonds") in a principal amount not to exceed Seven Million Dollars (\$7,000,000) for the purpose of paying all or a portion of the costs of a City Cemetery, purchase of land, renovations and related improvements; said Bonds to be due and payable in not to exceed twenty-six (26) years from the date of issuance of the Bonds?

Property Tax Cost of Bonds: If the Bonds are issued as planned, an annual property tax sufficient to pay debt service on the Bonds will be required over a period of twenty-six (26) years in the estimated amount of \$56.46 per year on a \$400,000 primary residence and in the estimated amount of \$102.65 per year on a business or secondary residence having the same value.

The foregoing information is only an estimate and is not a limit on the amount of taxes that the City may be required to levy to pay debt service on the Bonds.
