

We want to help you achieve your goal!

Although you may already have preschool reading materials at home, the Davis County Library offers a variety of resources to help you achieve 1,000 Books Before Kindergarten.

- Visit the library. The library has areas where children can explore a variety of print publications with comfortable seating areas for reading together. Dedicated professionals are available to assist you in selecting age appropriate materials for your child.
- Get a library card. Library cards allow you to check out materials and access downloadables online. Library cards are free of charge to Davis County residents. Proof of residence and photo ID are required for registration.
- Attend storytime. Listening to stories at story time counts toward your goal! Contact your local branch for days and times. A complete listing of storytimes at Davis County libraries may be found at <http://www.daviscountyutah.gov/library/programs?selected=storytime>
- Download the free *Libby by Overdrive* App. Set up your account with your library card and download preschool age e-reader and e-audio books to enjoy with your child anywhere and anytime!
