COLLECTION SIZES

DAVIS COUNTY LIBRARY

The Davis County Library proudly acts as a vibrant and engaged community anchor, providing cultural and intellectual resources and the free exchange of information to the citizens of Davis County.

The Library system has evolved to include the Headquarters Library (rebuilt in 2012) and 6 additional locations in Bountiful, Centerville, Clearfield, Kaysville, Layton, and Syracuse. The two newest construction projects include an expansion/remodel of the Syracuse/Northwest Branch in 2019 (featured on this report's cover) and a rebuild of the North Branch in Clearfield anticipated in 2021. The Library system provides over 112,000 sq ft of space to serve our patrons.

Over 150 employees collectively offer a myriad of library services to our patrons, including dynamic programming, community engagement, and access to over 700,000 physical and digital items.

In 2019, the Library held 1,590 programs attended by over 66,000 people. Programs & outreach included the introduction of *1,000 Books Before Kindergarten*, early literacy programs, increased *Beyond Books* programming, booths at the Davis County Fair & back-to-school nights across the county, and a *Universe of Stories* for Summer Reading.
