## SILLY STORY BOOK INSTRUCTIONS

- 1) Color the pictures.
- 2) Cut each of the picture sheets from right to left on the line under each picture, stopping about an inch from the edge of the page. When you are done, you will have 2 cuts and 3 strips on each page, all held together by a 1 inch margin on the left side.
- 3) Put the pages together in any order. Put the cover on top. Put the blank page at the back as a back cover. (Leave this instruction sheet out).
- 4) Staple 3 times on the left margin about 4 inches apart.
- 5) You can now flip the strips in different ways to make different silly fairy tales!
