

Snowman Faces

INGREDIENTS:

- Powdered donuts
- Mini chocolate chips
- Orange candy like Starbursts or candy corn
- Fruit Roll-Ups or Fruit by the Foot, optional

INSTRUCTIONS:

With an adult's help, cut the candy into carrot-like triangles. Then decorate the snowman using the chocolate chips for the eyes and smile and the orange candy for the nose. If you'd like, you can cut up the Fruit Roll-Ups or Fruit by the Foot to make a scarf to wrap around his "neck."
