Findhelp Training Center

Findhelp is the social care platform that powers the Davis Links Resource Directory. They have many tools available through the platform to improve workflow. To learn more about navigating the platform and using the available tools visit the [Findhelp Training Center](#), which offers brief video tutorials and live webinars available for registration.

Topics include:

- Tools for nonprofits
- Making and managing inbound referrals
- Using your data and analytics dashboard
- Using data collection forms

Davis Links Network Tag

Two featured program tags are now being used to highlight local programs and providers actively engaged with Davis Links. "Davis Links Network" or "Anchor Organization" tags identify the claimed program as a trusted local organization. Contact the Davis Links Support Team to explore adding a featured tag to your organization's program card.

Dental Services
