

TOBACCO RETAILER PERMIT APPLICATION

A tobacco retailer without a valid permit may not: (i) place a tobacco product, an electronic cigarette (e-cigarette) product, or a nicotine product in public view; (ii) display any advertisement related to a tobacco product, an e-cigarette product, or a nicotine product that promotes the sale, distribution, or use of those products; or (iii) sell, offer for sale, or offer to exchange for any form of consideration, tobacco, a tobacco product, an e-cigarette product, or a nicotine product (UCA 26B-7-507).

There are two types of Tobacco Retailer permits. Read the following descriptions and choose the type of permit you need for your tobacco retail location, and sign indicating you understand the requirements for the permit you are seeking.

General Tobacco Retailer – This type of retail location typically sells a wide variety of products with a limit to the amount and type of tobacco products* offered and sold. This permit is valid for two years. I understand in order to be permitted as a **General Tobacco Retailer**, the business identified in this application **may not** at any time:

- 1) Have 20% or more of the total retail floor space allocated to the offer, display, or storage of tobacco products;
- 2) Have 20% or more of the total shelf space allocated to the offer, display, or storage of tobacco products;
- 3) Have more than 35% of total quarterly gross receipts from the sale of tobacco products;
- 4) Have any self-service display of tobacco product;
- 5) Hold itself out as a retail tobacco specialty business (RTSB) and cause a reasonable person to believe the commercial establishment is a RTSB (UCA 10-8-41.6); or,
- 6) Sell flavored e-cigarette products, with the exception of the flavors that have a taste or smell of *only* tobacco, mint, or menthol** (UCA 76-10-113).

I further understand, and my signature binds all proprietors listed on this application, if any of these requirements for a General Tobacco Retailer permit is violated, this permit may be revoked by the issuing health department.

Retail Tobacco Specialty Business – This type of retail location typically specializes in the sale of tobacco products. This permit is valid for one year. I understand in order to be permitted as a **Retail Tobacco Specialty Business**, the business identified in this application **may not** at any time, be within:

- 1) 1,000 feet of a community location***; or
- 2) 600 feet of another retail tobacco specialty business; or,
- 3) 600 feet of property used or zoned for agricultural or residential use.

A map of the proposed retail tobacco specialty business is attached showing the location of any community location, other retail tobacco specialty business, agricultural, or residential property. The application for a new Retail Tobacco Specialty Business cannot be processed without the map (UCA 26B-7-508(4)(a)).

Additionally, I understand in order to be permitted as a **Retail Tobacco Specialty Business**, the business identified in this application must also adhere to the following:

- 1) Prominently display a sign on the public entrance of the business that communicates: the prohibition on the presence of an individual under 21 years old in a retail tobacco specialty business; and the prohibition on the sale of tobacco products and e-cigarette products to an individual under 21 years old (UCA 26B-7-511).
- 2) Electronically verify proof of age for any individual that enters the premises, and prohibit any individual from entering the business if the individual is under 21 years old (UCA 26B-7-511).

I further understand, and my signature binds all proprietors listed on this application, if any of these requirements for a Retail Tobacco Specialty Business is violated, this permit may be revoked by the issuing health department.

*Tobacco products include any cigar, cigarette, e-cigarette, chewing tobacco, tobacco paraphernalia, or any substitute for a tobacco product, including flavoring or additives to tobacco. Refer to UCA 59-14-102; 76-10-101; 76-10-104.1 for specific definitions of tobacco products.

***"Flavored e-cigarette product" does not include an e-cigarette product that has a taste or smell of only tobacco, mint, or menthol (UCA 76-10-101).

***Community location includes a public or private K-12 school; licensed child-care or preschool; trade or technical school; church; public library; public playground; public park; youth center or other place used primarily for youth oriented activities; public recreational facility; public arcade; homeless shelter (UCA 10-8-41.6).

ALL Tobacco Retailers must adhere to these requirements for the sale of tobacco products, e-cigarette products, or nicotine products:

- 1) It is illegal for any retailer to sell tobacco products, e-cigarette products, nicotine products, and tobacco paraphernalia to anyone younger than 21 (76-10-104, 76-10-104.1).
- 2) A retailer shall provide the customer with an itemized receipt for each sale of a tobacco product, an e-cigarette product, or a nicotine product that separately identifies:
 - a) the name of the tobacco product, the e-cigarette product, or the nicotine product;
 - b) the amount charged for each product; and,
 - c) the date and time of the sale (UCA 26B-7-512).
- 3) A retailer shall maintain an itemized transaction log for each sale of a tobacco product, an e-cigarette product, or a nicotine product with the required details of each receipt for at least one year, and make it available to an enforcing agency or peace officer upon request (UCA 26B-7-512).
- 4) A retailer may not advertise an e-cigarette product as a tobacco cessation device (UCA 26B-7-505(5)).
- 5) A retailer may not give or distribute a tobacco product without charge, including samples, and excluding buy one, get one free (UCA 76-10-112).
